REMARKS

An examiner initiated telephonic interview took place on August 03, 2007, between Examiner Young, and Michael P. Byrne. To ensure a complete and proper recordation of the substance of the interview, applicants now submit the following applicable items:

(A) Identification of the claims discussed;

All of the pending claims, 6, 12, 13 and 23 – 25, were discussed.

(B) Identification of specific prior art discussed;

No prior art was discussed.

(C) Identification of the principal proposed amendments of a substantive nature discussed, unless these are already described on the Interview Summary form completed by the examiner;

The examiner proposed that claims 6, 12, and 13 be canceled, so that claims 23-25 could be allowed to issue as a U.S. patent.

(D) The general thrust of the principal arguments of the applicant and the examiner

The examiner merely indicated that claims 23 - 25 were allowable.

(E) A general indication of any other pertinent matters discussed;

No other pertinent matters were discussed.

(F) If appropriate, the general results or outcome of the interview; and

No agreement was reached.
